PROFESSIONAL PROJECTS

Travel Support 2021- 2021

Rutgers University, New Brunswick

| <https://github.com/ccardinaleg8/travel-support> |
ccardinaleg8.github.io/travel-support/ (Group Project)*

- Deployed website gives customer a 5 days weather forecast and future Ticketmaster Events for a desired destination city.
- Exchange rate calculator included for travelers.

Project - Bid - Board 2021 - 2021

Rutgers University, New Brunswick

| github.com/ccardinaleg8/project-bid-board |
<https://project-bid-board.herokuapp.com/> (Group Project)*

- Website used for government contractor board where there are potential buyers and posters.
- Poster would post a contractor job and the buyer will then make a bid for it. The lowest bids that bids on that project will win.

E - Commerce - BackEnd 2021 - 2021

Rutgers University, New Brunswick

| <https://github.com/jihoonswdev/E-Commerce-BackEnd> |
Video Reference - <https://watch.screencastify.com/v/4jSBfHNbUxrNqrMva61o>

- Using the latest technologies that companies use to compete with other E - commerce companies.
- Allows the creation of a store inventory API through the command-line.
- Api will store information on products such as the category they are in, their price, stock inventory, and their associated store tags.

PROFESSIONAL EXPERIENCE

Pharmacy Technician 2016-2018

CVS Pharmacy, Fort Lee, NJ

- Provided outstanding customer service and building rapport.
- Assisted in transferring entire patient database to new system, swiftly learning the use of new system.
